

UCSF Faculty in Geriatrics Research and Education

ADLER, Shelley R., PhD

E-mail: Shelley.Adler@ucsf.edu

Assistant Professor, Department of Anthropology, History and Social Medicine

Areas of emphasis: Complementary and Alternative Medicine, Breast Cancer, Patient-Physician Interaction, and Cultural Issues in Health Care

AREAN, Patricia A., PhD

E-mail: PatA@lppi.ucsf.edu

Assistant Professor, Department of Psychiatry

Areas of emphasis: Mental Health Services Research, Mental Illness, Service Use, Minority Issues, Behavioral Interventions and Access to Care

ARIEFF, Allen, I., MD, FACP

E-mail: allen.arieff@ucsf.edu

Professor Emeritus, School of Medicine

Area of Emphasis: Metabolic Encephalopathy

ARNAUD, Claude D., MD

E-mail: carnaud@itsa.ucsf.edu

Professor Emeritus, Department of Medicine and Physiology

Areas of emphasis: Parathyroid Hormone, Osteoporosis

BARKER, Judith C., PhD

E-mail: barkerj@dahsm.ucsf.edu

Professor in Residence, Department of Anthropology, History and Social Medicine

Areas of emphasis: Social Gerontology, Ethnicity, Chronic Illness, Substance Use, Family and Social Organization of Care

BECKER, Gay, PhD

E-mail: Gay.Becker@ucsf.edu

Research Anthropologist, Institute for Health and Aging, School of Nursing

Professor in Residence, Department of Social and Behavioral Sciences

Adjunct Professor of Medical Anthropology, School of Medicine

Areas of emphasis: Anthropology of Aging, Cultural Life Course, and Chronic Illness

BEYENE, Yewoubdar, PhD

E-mail: yewoubdar.beyene@ucsf.edu

Associate Adjunct Professor, Institute for Health & Aging and Department of Social and Behavioral Sciences

Areas of emphasis: Biocultural Anthropology, Women's Reproductive Health (in both developed and developing countries), Fertility, Human Development and Aging, Menopause and Osteoporosis, Minority Aging, Chronic Illness, Immigrant and Refugee Health, and Health Care Beliefs and Practices of Traditional Cultures

BIKLE, Daniel D., MD, PhD

E-mail: doctor@itsa.ucsf.edu

Professor in Residence, Department of Medicine, Division of Endocrinology/Metabolism

Area of emphasis: Hormonal Regulation of Calcium Metabolism and Action

UCSF Faculty in Geriatrics Research and Education
continued

BIRD, William F., DDS, MPH, DrPH

E-mail: Bill.Bird@ucsf.edu

Clinical Professor & Associate Dean for Clinic Administration

Vice Chairman, Departments of Restorative Dentistry & DPHH, School of Dentistry

Areas of emphasis: Dentistry

BONASERA, Stephen, MD, PhD

E-mail: Steve.Bonasera@ucsf.edu

Assistant Adjunct Professor of Medicine

Division of Geriatrics, Department of Medicine

Areas of emphasis: Anatomical, genetic and physiological correlates of delirium-like behaviors in mouse models; Neurogenetic, advanced behavioral phenotyping methods; Clinical science: Genetic markers and loci to predict patient responses to therapeutic drugs in Alzheimer's disease

BRODY, Robert V., MD

E-mail: Robert.Brody@ucsf.edu

Clinical Professor, Division of General Internal Medicine, Department of Medicine, SFGH

Chief, Pain Consultation Clinic, SFGH

Areas of emphasis: Pain Management, Medical Ethics, and End of Life Care

BROWN, Jeanette S., MD

E-mail: Jeanette.Brown@ucsf.edu

Professor, Department of Obstetrics, Gynecology, and Reproductive Sciences and Department of Epidemiology & Biostatistics

Director, UCSF Women's Continence Center

Areas of emphasis: Urinary Incontinence and Pelvic Organ Prolapse, Diabetes: Incontinence and Urinary Tract Infections

BROWNER, Warren S., MD, MPH

E-mail: warren@cooper.cpmc.org

Vice-President Academic Affairs; Scientific Director, Research Institute; California Pacific Medical Center

Adjunct Professor of Medicine, and Epidemiology and Biostatistics, University of California, San Francisco

Executive Editor, American Journal of Medicine

Areas of emphasis: Association between Osteoporosis and Systemic Disease, Vascular Calcification, Genetics of Longevity

BYL, Nancy N., PT

E-mail: Nancy.Byl@ucsf.edu

Professor and Chair

Department of Physical Therapy and Rehabilitation Science

CAREY, Elise, MD

E-mail: Elise.Carey@ucsf.edu

Assistant Clinical Professor of Medicine

Division of Geriatrics, Department of Medicine

UCSF Faculty in Geriatrics Research and Education
continued

Director, Palliative Care, Nursing Home Care Unit, SFVAMC
Areas of emphasis: Palliative Care

CHEN, Helen, MD

E-mail: Helen.Chen@ucsf.edu

Associate Clinical Professor of Medicine

Division of Geriatrics, Department of Medicine

Associate Director, Geriatrics & Extended Care Service Line, SFVAMC

Director, Nursing Home Care Unit, SFVAMC

Areas of emphasis: Ethnogeriatrics, particularly at the end of life; Teaching geriatrics to generalists;

Assessment of strategies to effectively incorporate geriatrics into the medicine curriculum

CHREN, Mary-Margaret, MD

E-mail: mmchren@itsa.ucsf.edu

Associate Professor in Residence, Department of Dermatology

Director, Health Services Research Enhancement Award Program, SFVAMC

Area of emphasis: Conceptualization and Measurement of Outcomes of Chronic Diseases

CONANT, Rebecca, MD

E-mail: rconant@medicine.ucsf.edu

Assistant Clinical Professor of Medicine, Division of Geriatrics, Department of Medicine

Director, UCSF House Calls

Area of emphasis: Geriatrics

COVINSKY, Kenneth, MD, MPH

E-mail: covinsky@medicine.ucsf.edu

Associate Professor of Medicine in Residence

Division of Geriatrics, Department of Medicine

Staff Physician, Geriatrics and Extended Care Service, San Francisco VA Medical Center

Areas of emphasis: Functional Outcomes and Quality of Life in Vulnerable Elders, Outcomes of

Hospitalization, Measurement and Determinants of Prognosis in Elders

CRISWELL, Lindsey, MD, MPH

E-mail: Lindsay.Criswell@ucsf.edu

Associate Professor, Department of Medicine, Division of Rheumatology

Associate Program Director, General Clinical Research Center

Areas of emphasis: Rheumatology, Epidemiology, Genetics, and Health Services Research

CUMMINGS, Steven R., MD, FACP

E-mail: stevec@medicine.ucsf.edu

Professor of Medicine and Epidemiology and Biostatistics

Associate Chair for Clinical Research

Director, Clinical Research Program

Director, Coordinating Center

University of California, San Francisco

Areas of emphasis: Aging, Osteoporosis, and Breast Cancer

DAVIS, Maradee A., PhD, MPH

UCSF Faculty in Geriatrics Research and Education
continued

E-mail: mdavis@epi.ucsf.edu

Professor Emeritus, Department of Epidemiology and Biostatistics

Areas of emphasis: Nutrition, Social/Geriatric Epidemiology

DEITRICH, Carole E., RN-C, MS, GNP

E-mail: Carole.Deitrich@ucsf.edu

Clinical Professor, Department of Physiological Nursing, School of Nursing

Areas of emphasis: Primary Care, Skilled Nursing Facilities

DIAMOND, Ivan, MD, PhD

E-mail: diamond@itsa.ucsf.edu

Professor and Vice Chairman, Department of Neurology

Professor of Cellular & Molecular Pharmacology

Founding Director, Ernest Gallo Clinic and Research Center

Area of emphasis: Aging and Alcoholism

DI MINNO, Mariann, RN, MA, CNS

E-mail: Mariann.DiMinno@ucsf.edu

Clinical Nurse, Department of Neurology

Coordinator, Parkinson's Disease Clinic and Research Center

Co-Director, Parkinson's Disease Community Outreach, Diagnosis and Treatment Project

Areas of emphasis: Geriatrics, Dementia, Parkinson's Disease

DONG, Betty J., PharmD

Dong.Betty@ucsf.edu

Professor of Clinical Pharmacy, Department of Clinical Pharmacy

Clinical Professor, Department of Family and Community Medicine

Areas of emphasis: Endocrinology, especially Thyroid, Hypertension, Anticoagulation, and HIV

DORNBRAND, Laurie, MD

E-mail: ldornbrand@ioaging.org

Associate Clinical Professor of Medicine, Division of Geriatrics, Department of Medicine

Areas of Emphasis: Primary Care Geriatrics, Dementia, Depression, End-of-Life Care

DOWLING, Glenna, RN, PhD

E-mail: Glenna.Dowling@ucsf.edu

Professor and Chair, Department of Physiological Nursing

Institute on Aging, Director, Research Center

Area of emphasis: Parkinson's disease, Sleep, and Circadian Rhythms

DREXLER, Michael, PhD

E-mail: Michael.drexler@med.va.gov

Geropsychologist, Neuropsychologist, Geriatrics and Extended Care, San Francisco VA Medical Center

Adjunct Faculty, CSPP, Alameda

Instructor, UC Berkeley Extension

Area of Emphasis: Aging

ECHAVES, Stephen, A., PharmD

UCSF Faculty in Geriatrics Research and Education
continued

E-mail: Stephen.Echaves@ucsf.edu
Assistant Clinical Professor, School of Pharmacy
Areas of emphasis: Anticoagulation, Hypertension, Geriatrics

ESTES, Carroll L., PhD
E-mail: Carroll.Estes@ucsf.edu
Professor, Department of Social and Behavioral Sciences
Founding Director, Institute for Health & Aging, School of Nursing
Areas of emphasis: Social Policy and Aging, Long Term Care, Health & Mental Health Services and Policy, Health Services Research, Medicare and Social Security

FEIGENBAUM, Lawrence Z., MD
E-mail: lzf@pacbell.net
Clinical Professor Emeritus, School of Medicine
Institute on Aging
Areas of emphasis: Graduate/Undergraduate Education, Program Development

FINLEY, Ron R., BS Pharm, R.Ph.
E-mail: Ron.Finley@ucsf.edu
Lecturer, Department of Clinical Pharmacy, School of Pharmacy
Clinical Pharmacist, UCSF Memory and Aging Center
Areas of emphasis: Geriatric Pharmacy Practice, Ambulatory Care, and Geriatric Psychopharmacology

FOX, Patrick J., PhD
E-mail: Pat.Fox@ucsf.edu
Co-Director, Institute for Health & Aging
Professor of Sociology in Residence, Department of Social and Behavioral Sciences, School of Nursing
Areas of emphasis: Sociology of Aging, Long-Term Care, Evaluation of Social and Health Interventions, Health Policy, Disease-Based Social Movements, Economic Cost of Illness, and Health Promotion

GENANT, Harry K., MD
E-mail: harry.genant@oarg.ucsf.edu
Professor, Department of Radiology, UCSF
Director, Osteoporosis and Arthritis Research Group
Areas of emphasis: Osteoporosis, Osteoarthritis

GHANNAM, Jess H., PhD
E-mail: Jess.Ghannam@ucsf.edu
Assistant Clinical Professor, Director of Training, Department of Psychiatry
Chief, Medical Psychology, UCSF/Mount Zion Medical Center
Director, Geriatric Mental Health Clinic and Training Program, UCSF Center on Aging
Areas of emphasis: Depression, Alzheimer's disease, Psychotherapy, Pharmacotherapy

GOLDMAN, Lee, MD
E-mail: goldman@medicine.ucsf.edu
Julius R. Krevans Distinguished Professor and Chairman, Department of Medicine
Associate Dean for Clinical Affairs, School of Medicine

UCSF Faculty in Geriatrics Research and Education
continued

Area of emphasis: Cardiology

GOODIS, Harold, DDS

Email: Harold.Goodis@ucsf.edu

Professor

Department of Preventive and Restorative Sciences, School of Dentistry

Area of emphasis: Aging effects on oral structures, Oral disease prevalence and treatment solutions in aging individuals

GREEN, Adrienne, MD

E-mail: greena@medicine.ucsf.edu

Assistant Clinical Professor of Medicine, Division of General Internal Medicine, Department of Medicine

Area of emphasis: Hospitalist Issues, Resident Education and Mentoring, Quality Assessment and Practice Guidelines, Pressure Ulcer Management and SNF related issues

HARPER, Michael, MD

E-mail: Michael.Harper3@med.va.gov

Associate Clinical Professor of Medicine

Division of Geriatrics, Department of Medicine

Staff Physician, SFVAMC

Areas of emphasis: Medical education; Educational program development

HARRINGTON, Charlene, PhD, RN, FAAN

E-mail: Charlene.Harrington@ucsf.edu

Professor, Department of Social and Behavioral Sciences, School of Nursing

Areas of emphasis: Sociology of Health Care, Economics, and Financing; Health Policy and Regulation; Aging and Long-Term Care; Social Problems; Quantitative Research Methods and Economic Analysis, Interviews and Survey Research, Nursing Home Quality of Care; Managed Care and the Elderly; State Long-Term Care Policies; Consumer Complaints about Quality; AIDS/HIV

HAUSER, Stephen L., MD

E-mail: Stephen.Hauser@ucsf.edu

Professor and Chair, Department of Neurology

Areas of emphasis: Multiple Sclerosis, Autoimmune Diseases

HAWK, Mark, RN, MSN, ACNP

E-mail: Mark.Hawk@ucsf.edu

Assistant Clinical Professor

Department of Physiological Nursing

Areas of emphasis: Geriatric Trauma, Critical Care, Emergencies, Pain Management, Tobacco Cessation and Geriatric Acute Care

HELMER, James J., MD

E-mail: JamesHelmerMD@comcast.net

Assistant Clinical Professor of Family and Geriatric Medicine

Department of Family and Community Medicine

UCSF Family Medicine Residency Program at Natividad Medical Center, Salinas, CA

UCSF Faculty in Geriatrics Research and Education
continued

Areas of emphasis: Geriatric Education, Primary Care Geriatrics, End of Life Care and Ethnogeriatrics

HUNT, Thomas, M., MD
E-mail: huntt@surgery.ucsf.edu
Professor, Department of Surgery
Director, Wound Healing Laboratory
Vice Chair for Research
Areas of emphasis: Wound Healing and Infection

HYDE, Susan, DDS, MPH, PhD
E-mail: Susan.Hyde@ucsf.edu
Assistant Adjunct Professor
Department of Preventive and Restorative Dental Sciences, School of Dentistry
Areas of emphasis: Oral Health, Oral Epidemiology, Dental Public Health, Quality of Life, Health Disparities, Geriatrics, Xerostomia, Health Services Research, Intervention Research, Program Evaluation, Welfare Reform, Employment, Dental Education

JOHNSON, Colleen L., PhD
E-mail: cjohnso1@itsa.ucsf.edu
Professor Emeritus, Department of Anthropology, History and Social Medicine, School of Medicine
Areas of emphasis: Medical Anthropology, Oldest-Old, Family in Later Life, Ethnicity

JOHNSON, Mary Anne, MD
E-mail: mary.johnson4@med.va.gov
Clinical Professor, Division of Geriatrics, Department of Medicine
Director, Geriatrics and Extended Care Service, SFVAMC
Areas of emphasis: Long-Term Care, Ethics

JOHNSTON, C. Bree, MD, MPH
E-mail: Bree.Johnston@ucsf.edu
Assistant Clinical Professor, Director, Geriatrics Fellowship Program, Division of Geriatrics, Department of Medicine
Areas of interest: Geriatric Education, Primary Care Geriatrics

JOHNSTON, S. Claiborne, MD, PhD
E-mail: clay.johnston@ucsfmedctr.org
Assistant Professor and Director, Stroke Service, Department of Neurology
Area of emphasis: Cerebrovascular disease and its impact on cognition.

KAHN, Arnold J., PhD
E-mail: Arnold.Kahn@ucsf.edu
Professor, Growth and Development, School of Dentistry
Areas of emphasis: Biology and Genetics of Aging, Osteoporosis, Age-Related Changes in Bones and Teeth, Hormones and Aging

KATZ, Patricia P., PhD
E-mail: Patti.Katz@ucsf.edu
Associate Professor of Medicine and Health Policy, Institute for Health Policy Studies

UCSF Faculty in Geriatrics Research and Education
continued

Areas of emphasis: Functional Status, Psychological Well-Being, Quality of Life

KAUFMAN, Sharon R., PhD

E-mail: Sharon.Kaufman@ucsf.edu

Professor in Residence, Institute for Health and Aging, School of Nursing

Department of Anthropology, History & Social Medicine, and Department of Social and Behavioral Sciences

Area of emphasis: Cultural Aspects of Aging, Culture of Medicine, Hospital Death, Medicine Anthropology

KAYSER-JONES, Jeanie, RN, PhD, FAAN

E-mail: Jeanie.Kayser-Jones@ucsf.edu

Professor, Department of Physiological Nursing and Medical Anthropology

Director, UCSF/John A. Hartford Center of Geriatric Nursing Excellence

Area of emphasis: Investigating the quality of care of older people in the nursing home setting. Past studies have focused on the oral health care of nursing home residents, the treatment of acute illness in nursing homes, and most recently weight loss, malnutrition, and dehydration among nursing home residents. Most recent study is an ethnography of death and dying in nursing homes.

KENYON, Cynthia, PhD

E-mail: ckenyon@biochem.ucsf.edu

Herbert Boyer Professor of Biochemistry and Biophysics

Director, Hillblom Center for the Biology of Aging

Markey Program in Biological Sciences (PIBS)

Area of emphasis: Genes and cells that influence the rate of aging.

KERLIKOWSKE, Karla, MD

E-mail: kerliko@itsa.ucsf.edu

Associate Professor, Departments of Medicine and Epidemiology and Biostatistics

Area of emphasis: Breast Cancer Screening, Breast Cancer Risk Factors, Prognostic Factors that Predict Breast Cancer and DCIS Recurrence and Cervical Cancer Screening

KIEFER, Christie W., PhD

E-mail: Christie.Kiefer@ucsf.edu

Professor, Department of Anthropology, History, and Social Medicine, and Department of Psychiatry

Director, Health Science Human Survival

Areas of emphasis: Poverty and Aging, Health Care Delivery, International Health

KIRKLAND, Mark, DDS

E-mail: Mark.Kirkland@ucsf.edu

Director, Advanced Education in General Dentistry, School of Dentistry

Areas of emphasis: Dental Management of Geriatric Patients, Including Frail Elderly, Medically Compromised, Alzheimer's Patients, and Patients with Varying Degrees of Cognitive and Physical Impairment

KNIGHT, Sara J., PhD

E-mail: Sara.Knight@med.va.gov

Assistant Adjunct Professor, Departments of Psychiatry and Urology

UCSF Faculty in Geriatrics Research and Education
continued

Research Health Science Specialist, SFVAMC

Area of Emphasis: Treatment Decision Making and Comprehensive Outcomes in Cancer Care

KOPARDEKAR, Sangeeta, MD

E-mail: sangeeta.kopardekar@med.va.gov

Staff Physician, Geriatrics and Extended Care Service, SFVAMC

Areas of Emphasis: Incidence of fall-related head injury in the nursing home, falls in the nursing home and geriatric education in the nursing home

LAGUSIS, Melissa, MD, CCFP

E-mail: Melissa.Lagusis@med.va.gov

Staff Physician, Geriatrics and Extended Care Service, SFVAMC

LANDEFELD, C. Seth, MD

E-mail: sethl@medicine.ucsf.edu

Professor of Medicine, Chief, Division of Geriatrics, Department of Medicine

Associate Chief of Staff/Geriatrics and Extended Care Service, SFVAMC

Director, UCSF/Mt. Zion Center on Aging and UCSF Academic Geriatric Resource Center

Areas of emphasis: Health Care Research, Functional and Quality-of-Life Outcomes in Older Persons, Health Care Improvement, Anticoagulant Therapy, Physician Behavior, Geriatrics, General Internal Medicine, Clinical Epidemiology

LANDSVERK, Elizabeth A., MD

E-mail: Elizabeth.Landsverk@med.va.gov

Assistant Clinical Professor, Division of Geriatrics, Department of Medicine

Staff Physician, Geriatrics and Extended Care Service, SFVAMC

Areas of Emphasis: Delirium, Pain and Health Care Systems Improvement

LEARMAN, Lee, MD, PhD

E-mail: Lee.Learman@ucsf.edu

Associate Professor & Director, Residency Program, Department of Obstetrics, Gynecology and Reproductive Sciences

Areas of emphasis: Obstetrics and Gynecology

LEEDS, Andrew L., PharmD

E-mail: Andrew.Leeds@ucsf.edu

Lecturer, Ambulatory Care & Geriatrics, Department of Clinical Pharmacy

Area of emphasis: Ambulatory Care Pharmacy Practice, Geriatric Pharmacy, Managed Community Care Pharmacy

LEUNG, Jacqueline M., MD, MPH

E-mail: Jacqueline.Leung@ucsf.edu

Professor, Anesthesia & Perioperative Care Department

Area of Emphasis: Outcomes Research in Geriatric Surgical Patients

LIEBERMAN, Morton A., PhD

E-mail: Morton.Lieberman@ucsf.edu

Professor, Department of Psychiatry

UCSF Faculty in Geriatrics Research and Education
continued

Areas of emphasis: Personality, Intervention, Life Span, Internet-based Health Interventions

LIPTON, Helene L., PhD

E-mail: Helene.Lipton@ucsf.edu

Professor, Health Policy and Pharmacy

Department of Clinical Pharmacy, School of Pharmacy

Institute for Health Policy Studies, School of Medicine

Area of emphasis: Pharmacy Benefit Management and Drug Use Management Innovations

LIU, Linda

Email: liul@anesthesia.ucsf.edu

Associate Professor

Department of Anesthesia and Perioperative Care, School of Medicine

LO, Bernard, MD

E-mail: bernie@medicine.ucsf.edu

Professor and Director, Program in Medical Ethics

Director, Center for Aids Prevention Studies Ethics Core

Areas of emphasis: End of Life Care and Decision-Making, Ethical Issues In Clinical Research,
Communication within the Doctor-Patient Relationship

LUFT, Harold S., PhD

E-mail: Hal.Luft@itsa.ucsf.edu

Professor, Division of General Internal Medicine, Department of Medicine

Director, Institute on Health Policy Studies

Area of emphasis: Managed Care, HMOs, Quality of Care, Risk Adjustment, Relationship Between
Volume and Outcome in Health Care

LUXENBERG, Jay S., MD

E-mail: naj@itsa.ucsf.edu

Associate Clinical Professor, Department of Medicine

Director of Medical Services, Jewish Home for the Aged

Area of emphasis: Geriatric Medicine

MACERA, Liz, MS, RN, FNP

E-mail: Liz.Macera@ucsf.edu

Assistant Clinical Professor, Gerontology Program, School of Nursing

Areas of Emphasis: social support, acute and long-term nursing home care

MACKIN, Lynda, RN, MS, NP

Email: Lynda.Mackin@ucsf.edu

Associate Clinical Professor, and Co-Director of the Gerontological Advanced Practice Nursing
Program

Department of Physiological Nursing, School of Nursing

Area of Interest: dyspnea and exercise in older adults

MAX, Wendy B., PhD

E-mail: Wendy.Max@itsa.ucsf.edu

UCSF Faculty in Geriatrics Research and Education
continued

Adjunct Professor and Co-Director, Institute for Health & Aging
Area of emphasis: Health Economics

McKERROW, James H., MD, PhD
E-mail: James.McKerrow@ucsf.edu
Professor, Department of Pathology
Areas of emphasis: Biology of Aging, especially Cell and Molecular Biology

MEHTA, Kala, DSc
E-mail: Kala.Mehta@ucsf.edu
Assistant Adjunct Professor
Division of Geriatrics, Department of Medicine
Areas of emphasis: Epidemiology, Disparities, Cognition, Depressive Symptoms, Poor Health Outcomes

MILLER, Bruce L., MD
E-mail: Bmiller@memory.ucsf.edu
A.W. & Mary Margaret Clausen Professor Department of Neurology
Neurology, Memory and Aging Center
Area of emphasis: Dementia

MOODY-AYERS, Sandra Y., MD
E-mail: Sandra.moody@med.va.gov
Assistant Clinical Professor of Medicine, Division of Geriatrics, Department of Medicine
Director, Palliative Care, San Francisco VA Medical Center Nursing Home
Areas of Emphasis: End of life care, research in geriatric minority health issues/health disparities

NELSON, J. Craig, MD
E-mail: CraigN@lppi.ucsf.edu
Leon J. Epstein M.D. Chair in Geriatric Psychiatry
Areas of Emphasis: Late Life Depression, Psychopharmacology

NEVITT, Michael C., PhD
E-mail: mnevitt@psg.ucsf.edu
Adjunct Professor, Department of Epidemiology and Biostatistics, School of Medicine
Areas of emphasis: Osteoporosis, Osteoarthritis, Clinical Trials, Cohort Studies, Falls

NEWCOMER, Robert J., PhD
E-mail: Robert.Newcomer@ucsf.edu
Professor and Chairman, Department of Social and Behavioral Sciences, School of Nursing
Areas of emphasis: Managed Care Systems, Health Care Financing, Health and Long-Term Care Services and Policy, Assisted Living

OTERO-SABOGAL, Regina, PhD
E-Mail: reginas@itsa.ucsf.edu
Associate Professor
Institute for Health and Aging, School of Nursing

PAPADAKIS, Maxine A., MD

UCSF Faculty in Geriatrics Research and Education
continued

E-mail: papadakm@medsch.ucsf.edu

Professor of Clinical Medicine, Associate Dean for Student Affairs, School of Medicine
Staff physician, SFVAMC

PEREZ-STABLE, Eliseo J., MD

E-mail: eliseops@medicine.ucsf.edu

Professor, Division of General Internal Medicine, Department of Medicine
Areas of emphasis: Minority Health, Cancer Prevention

RICHARDS, Shannon, MA, PT

E-mail: RicharSh@ptrehab.ucsf.edu

Associate Clinical Professor
Department of Physical Therapy and Rehabilitative Science
Areas of emphasis: geriatric education and patient care

SAUER, Barbara, PharmD

E-mail: blsauer@ucdavis.edu

Clinical Professor, Department of Clinical Pharmacy
Director, UCD-Sacramento Experiential Program

SCARR, Ellen, RNC, MS, FNP, WHNP

E-mail: Ellen.Scarr@ucsf.edu

Clinical Professor
Department of Family Health Care, Nursing
Areas of Emphasis: Geriatric Education in the FNP program

SCHMUCKER, Douglas L., PhD

E-mail: coach@itsa.ucsf.edu

Professor in Residence, Department of Anatomy and the Liver Center
Chief, Cell Biology & Aging Section, SFVAMC
Areas of emphasis: Gastrointestinal Tract/liver, Issues of Age and Gender in Drug Metabolism and Disposition, Mucosal Immunity

SCOTT, Meg, RN, MSN, FNP

E-mail: Meg.Scott@ucsf.edu

Assistant Clinical Professor
Department of Family Health Care, School of Nursing

SEBASTIAN, Anthony, MD

E-mail: Anthony.Sebastian@ucsf.edu

Professor & Associate Director, General Clinical Research Center, Department of Medicine
Areas of emphasis: Acid Base and Potassium Physiology and Pathophysiology

SHOWSTACK, Jonathan, PhD, MPH

E-mail: Jon.Showstack@ucsf.edu

Adjunct Professor, Institute for Health Policy Studies and Department of Medicine
Areas of emphasis: Technology assessment, costs of medical care, population health, health professions education, academic health centers

UCSF Faculty in Geriatrics Research and Education
continued

SILVERMAN, Sol, Jr., MA DDS

E-mail: Sol.Silverman@ucsf.edu

Professor of Oral Medicine, School of Dentistry

Areas of emphasis: oral medicine, including oral cancer and premalignant lesions; xerostomia; oral ulcerative-inflammatory diseases; oral manifestations of systemic diseases

SIMON, Joel A., MD

E-mail: jasimon@itsa.ucsf.edu

Associate Professor, Department of Medicine, and Epidemiology and Biostatistics

Area of emphasis: nutritional epidemiology, cardiovascular epidemiology, smoking cessation

SKAFF, Marilyn McKean, PhD

E-mail: Marilyn.Skaff@ucsf.edu

Assistant Adjunct Professor, Department of Family & Community Medicine

Areas of emphasis: Lifespan Developmental Psychology, Aging, Caregiving Research, Self-Concept, Sense of Control, social disparities in health and ethnic diversity in aging

SMITH, Richard A., DDS

E-mail: Richard.Smith2@ucsf.edu

Clinical Professor, Oral & Maxillofacial Surgery, School of Dentistry

Area of emphasis: Dental Implantology and Dental Pathology

STEINMAN, Mike, MD

E-mail: Mike.Steinman@ucsf.edu

Assistant Professor in Residence

Staff Physician, SFVAMC

Division of Geriatrics, Department of Medicine

Areas of emphasis: Measuring the quality of medication prescribing, Inappropriate use of antibiotics, Pharmaceutical industry marketing

STEWART, Anita, PhD

E-mail: Anita.Stewart@ucsf.edu

Professor in Residence, Institute for Health & Aging, School of Nursing

Areas of emphasis: Physical activity promotion in older adults, with a focus on underserved communities, measuring health-related quality of life, interpersonal process of care as a dimension of quality of care, measurement issues in diverse population, and healthy and active aging.

STRAWBRIDGE, WILLIAM, PhD

Email: Bill.Strawbridge@ucsf.edu

Visiting Professor

Institute for Health and Aging, School of Nursing

Areas of emphasis: Successful aging with focus on self-reported successful aging, frailty, hearing impairment, understanding the different pathways that older persons take in experiencing old age, research on couples

VENER, Margo H., MD

E-mail: Margo.Vener@ucsf.edu

UCSF Faculty in Geriatrics Research and Education
continued

Assistant Clinical Professor
Department of Family and Community Medicine, SFGH

VILLELA, Teresa, MD
E-mail: TVillela@medsch.ucsf.edu
Associate Clinical Professor
Department of Family and Community Medicine, SFGH
Areas of emphasis: Primary Care Geriatric Practice; Role of families in geriatric care

WALLHAGEN, Margaret, PhD, RN, CS, GNP
E-mail: Meg.Wallhagen@ucsf.edu
Associate Professor, Department of Physiological Nursing, School of Nursing
Areas of emphasis: Biology/Physiology of Aging, Caregivers/Caregiving, Diabetes (Type II), Perceived Control, Primary Care, Care of Acutely Ill Older Adults, Hearing Impairment.

WALTER, Louise C., MD
E-mail: Louise.Walter@ucsf.edu
Assistant Professor of Medicine, Division of Geriatrics, Department of Medicine
Geriatrics and Extended Care Service, SFVAMC
Area of Emphasis: Cancer Screening Decisions in Older Adults

WASHINGTON, Eugene A., MD, MSc
E-mail: Eugene.Washington@ucsf.edu
Executive Vice Chancellor; Professor & Chairman, Department of Obstetrics, Gynecology & Reproductive Sciences
Areas of emphasis: Cancer Screening, Racial/Ethnic Health Disparities

WEINER, Michael W., MD
E-mail: Mike.Weiner@radiology.ucsf.edu
Professor of Medicine, Radiology and Psychiatry
MRS Unit, San Francisco Veterans Affairs Medical Center
Areas of emphasis: neuroimaging for early detection and diagnosis of dementia, monitoring therapy

WELTY, Carolyn, MD
E-mail: Carolyn.welty@ucsfmedctr.org
Associate Clinical Professor
Lakeside Senior Medical Center
Areas of emphasis: Geriatric primary care, Geriatric assessment

WIENER-KRONISH, Jeanine P., MD
E-mail: wienerkj@anesthesia.ucsf.edu
Professor of Anesthesia and Medicine
Vice Chairman, Department of Anesthesia
Areas of emphasis: Nosocomial (*Pseudomonas Aeruginosa*) Infections in the Intensive Care Unit, Geriatric Education and Anesthesia, Pre-Op Evaluation of Geriatric Patients

WOOD, Joan B., PhD
E-mail: jwood@medicine.ucsf.edu

UCSF Faculty in Geriatrics Research and Education
continued

Adjunct Professor, Departments of Social and Behavioral Sciences/Medicine
Director, Northern California Geriatric Education Center
Campus Planner, Academic Geriatric Resource Center
Associate Director, UCSF/Mount Zion Center on Aging
Areas of emphasis: the psychology of aging, family caregiving for older adults with cognitive impairment, aging with developmental disabilities, rural aging, distance learning in gerontology/geriatrics education

YAFFE, Kristine, MD
E-mail: kyaffe@itsa.ucsf.edu
Assistant Professor of Psychiatry and Neurology, UCSF
Chief of Geriatric Psychiatry, SFVAMC
Areas of emphasis: Cognitive decline, Dementia

YELIN, Edward, PhD
E-mail: Ed.Yelin@ucsf.edu
Adjunct Professor of Medicine, Institute for Health Policy Studies
Area of emphasis: Arthritis and Musculoskeletal Diseases
